

several of the boats collided and stayed stuck for some moments. On turning the buoy (Marine Railway buoy) some turned to starboard and some to port. The judges decided that the first prize should go to the occupant of Fat Boy. Time, 12:24.

3. Six oars, stationary seats. To spar buoy and return. Prize \$15. The Myrtle club entered one boat, the Kaniolani, coxswained by Torbert; and "Jack" Atkinson entered and coxswained the Kapiolani. The Kaniolani was leading from start to finish and the crew brought her in second, about five lengths behind the Kapiolani. Time: 20:14.

4. Four oars sliding seats. To spar buoy and b.c. Prize \$15. Again the Myrtle club sent two boats, the Stranger, coxswained by Torbert, and having as a crew Dexter, Armstrong, Sorenson, and Giles; and the Alice M, with H. Wilder, W. Harris, Lyle, and Petrie pulling. Sam Lyle holding the tiller ropes. This was a slow but sure race, the welcome Stranger crossing the line first, on return, in 19:50, the Alice M arriving one week—minute—afterwards, the boys nearly pumped with the steady 28 to 30 stroke from start to finish.

5. Fourteen oars, barge race. To bell buoy and return. Prize \$25. Torbert, the invincible, entered and coxswained the Hanalei, Archie Mahulu doing like service in the Kuliakannu. The race was well pulled, but fortune was with the Hanalei crew, they winning in 20:18, Kuliakannu arriving in 21:14.

6. Shell race. To Marine railway buoy and return. Prize \$10. Easily won by Ruby Dexter, of the Myrtle club in 19 minutes.

7. Four oars, stationary seats. To spar buoy and return. Prize \$15. There were two entries for this event; so as to make a race, the crew of one, the Alvina, rowed over the course in 27:57, their supposed competitors, in the Bill Williams starting and stopping at one fourth of the way, and waiting composedly for their opponent's return.

The second class yacht sailing race was put on at 10:30 o'clock by the judges. The entries were, the Edith L, by James Lyle; Colleen Bawn, by Charles White; Coral Queen, H. E. Walker and Pokii, by W. F. Williams. Considerable interest was attached to this race for it was well known that the Edith L and Pokii were a pretty close match if properly sailed, and the Coral Queen and Colleen Bawn were, so to say, "ghost stories." The starting gun was fired at 10h. 25m. 30s., a strong breeze ruffling the waters of the harbor and giving good opportunity for a speedy run out the channel. The Pokii was in the favored position and crossed the line out first, at 10h. 25m. 41s., the Colleen Bawn second, the Edith L two minutes and ten seconds behind the Pokii, and the Coral Queen three-quarters of a minute behind the Edith L. The race was a very pretty one and well contested from commencement to end, the Edith L being ably handled as was due the Coral Queen. The latter boat beat the Colleen Bawn "out of sight" while by bad judgment on the part of the sailing master of the Pokii, the Edith L took the lead at the Walkiki stakeboat and retained it to the end, coming in winner. The times of the three principal contestants were Edith L, 2h. 5m. 58sec. Pokii, 2h. 11m. 50sec. Coral Queen, 2h. 20m. 24sec.

A swimming race was on the programme but the contestants could not be found, or they could not find the judges so the event was declared off.

The events in the harbor regatta were all interesting and were pulled and sailed off without the slightest protest a fact which is not usual on race days.

The Sports.

There were present between fifteen hundred and two thousand people at the games and sports held at the base ball grounds Tuesday, commencing at 2 o'clock.

The grand stand was packed with people and it was very difficult to move around. Many ladies who came late were obliged to remain standing during the progress of the games. The sports were laughable and interesting. Hack-Inspector Macy had no little trouble keeping the small boys away from the center of the grounds.

J. W. Jones was starter and Messrs. F. B. McStocker, Theo. F. Lansing, J. Torbert and Thos. Wright composed the committee on sports.

The first event was a tug-of-war contest between the ADVERTISER and Annexation teams. After a steady pull lasting eight minutes the ADVERTISER team pulled over their opponents and were declared winners. The prize was raised from \$5 to \$40.

The 100 yards foot race was won by Thos. Wright in 11 seconds, with Geo. Rosa second. First prize \$5, second prize \$2.50.

Vincent Jacinto won the 75 yards foot race, his time being 10 seconds. F. Rolland came second. The prizes were as above.

The 75 yards foot race for girls did not take place, as none of the girls came forward to take part in the contest.

The next event was a potato race, which was very amusing. The game consisted of the contestants putting ten potatoes, placed three feet apart, in baskets.

Another potato race followed. This race consisted of twenty boys running a distance of 75 yards with a potato on the back of the hand of each boy. The race was won by William Kamana, with Walter Wood second. Prizes, \$5 and \$2.50.

The next was a 3-legged race. It was won by Ed. Montgomery and George Cummins, W. Wood and Kiwa receiving second place.

The last race was a "boot and shoe" race. It was won by D. Jackson, and W. Stone second. There were about twenty contestants. They took off their shoes and stockings and left them in a row. They ran from the starting point 75 yards away and after putting on their stockings and lacing their shoes again bolted for the starting point.

BASEBALL.

After the sports the ground was cleared of the small boys for the match game between the Crescents and the Kamehamehas. The game was watched with interest by the vast assemblage present, and the good plays received hearty applause. The Kamehamehas came out victorious.

The score stood 12 to 6, in favor of the Kams. The following are the players and the score by innings:

Kamehamehas—S. Maluka, 2b; S. Meheula, p; Cummings, ss; Kauka, rf; Kaanui, cf; R. H. Baker, Jr., c; Lindsay, lb; Bridges, rf; Wahine-makahi, 3b.

Crescents—H. Wilder, 2b; P. Lishman, 3b; H. Wodehouse, cf; Chan Wilder, c; Ross, ss; W. Lucas, rf; J. Lemon, p; G. Angus, lf; J. Soper, lb; Seorer, N. Kaubane; umpires Robert Pahau and Thompson. Time of game two hours.

On Board the Flagship.

A neat programme was issued from the U. S. S. Boston of the regatta and sports which took place there, beginning at noon and continuing until evening. Many invitations had been issued and a large number of the friends and acquaintances of the officers of the flagship visited her during the day. Refreshments were served to all who boarded the white cruiser. The following is the result of the day:

Twelve-oared cutters, prize \$22, was won by the Boston.

All comers race; first prize \$15, second prize \$10. Won by the Boston.

Gig race; prize \$14. Won by the Boston.

Dinghy race; prize \$10. Won by the Adams.

Catamaran race; prize \$7. Won by the Boston.

Sack race; first prize \$2, second prize \$2. Won by J. Lawson and Manholds.

Masthead race; prize \$2. Won by E. J. Norcott.

Potato race; prize \$2. Tied by W. Armstrong and J. Carney.

Three-legged race; prize \$3. Tied by Matlock and A. McGuarrie.

Greasy pole; prize \$5. Won by W. Parent.

Swimming race; prize \$3. Won by P. O. Boyle.

During the sports Lieut. Charles Laird of the U. S. S. Boston acted as judge and starter, and Ensign C. T. Vogelgesang of the U. S. S. Adams as referee. In the evening an entertainment was given aboard the ship by the men, which developed considerable histrionic talent and was very generally appreciated.

CRICKET.

An Interesting Game—Accident to Mr. Hutchings.

The cricket match game between the married men and single men took place at the old baseball grounds, Makiki, Tuesday. There was a good turn-out of the members of both teams, but the number of visitors present during the progress of the game was small. The game lasted from noon till late in the afternoon and it was a very interesting one so remarked those who are acquainted with the game. The single men won the game by a score of 90 to 84. The benedicts say they were fairly beaten but they do not feel discouraged over the result of the game.

Mr. Hutchings, employed at H. May's store, Fort street, was injured. While in the act of striking the ball, Hutchings twisted his right leg and fell down. Dr. Walters, one of the players, came and did what he could to set the injured leg. The fibular was found to be broken near the ankle. Hutchings was removed at once to his home near by where he is resting comfortably.

Installation of Officers.

The following officers were duly installed to serve for the ensuing term, at the Castle Hall of Mystic Lodge No. 2, Knights of Pythias:

C. C.—W. C. Wilder, Jr.
V. C.—A. E. Murphy.
P.—A. W. Keech.
M. of W.—A. W. Clark.
M. of R. & S.—A. V. Gear.
M. of F.—J. H. Schaeck.
M. of Ex.—S. Louisson.
M. at A.—Geo. Bruns.

The installation ceremony was conducted by C. J. McCarthy, Deputy Supreme Chancellor of the Hawaiian Islands, assisted by Past Chancellors, J. M. McChesney, J. F. Eckhardt, A. Gartenberg, and I. A. Burget, acting as Deputy Supreme Officers.

The Late R. J. Creighton.

No successor has yet been appointed to succeed the late Robert J. Creighton, secretary to the firm of John D. Spreckels and Bros. It is extremely doubtful if the place will be filled, for Mr. Creighton's peculiar qualifications make the choice of a successor extremely difficult.

He had been a great traveler, was a trained journalist, and was especially well informed on all matters relating to the political state of affairs of Australia, New Zealand and the Hawaiian Islands. He was as nearly indispensable as a man can be, and the Spreckels feel his loss a severe one.—S. F. Bulletin.

While Mr. T. J. Richey, of Altona, Mo., was traveling in Kansas he was taken violently ill with cholera morbus. He called at a drug store to get some medicine and the druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy so highly he concluded to try it. The result was immediate relief, and a few doses cured him completely. It is made for bowel complaint and nothing else. It never fails. For sale by all medicine dealers.

SEMI-ANNUAL MATCH AT THE RIFLE RANGE.

The Wall Boys win Two Trophies.—Two Hundred and Seventy Entries in the Citizen's Match.—Score and Prizes.

The 17th semi-annual shoot of the Hawaiian rifle association took place Tuesday morning at 8 o'clock at the association's range. There was a large attendance, and the meeting was voted one of the best and most successful held for years. The day was a superb one for the sport. There was a nine o'clock wind blowing, light and variable. Mr. John Kidwell acted as officer of the day, and was ably assisted in making the shoot a success by the aid of Mr. F. S. Dodge, chairman of the range committee.

Three of the trophies were won for "keeps," as the boys say, as follows:

The Brodie trophy was won for the third and last time by Walter E. Wall; the E. O. Hall & Son trophy was won for the third time by A. C. Wall, and the fancy sporting rifle presented by President Dole was won for the second and last time by John Kidwell.

THE FOURTH AT WAIALUA

Account of the Races at That Place.

The Fourth of July was observed with horse races at Waialua, on the other side of this island. The natives joined in celebrating the day and the event went off successfully. Messrs. Hiel Kapu and Turner acted as judges of the races.

The first race was a quarter-mile dash. Purse, \$100. Akiu, Wm. Rathburn, Warren and F. Halstead each entered a horse. Akiu's horse came in first; time, 26 seconds. Halstead's was second and Warren's third. Halstead protested the race because Rathburn's horse did not join the race, but the judges declared Akiu's horse the winner.

The second race was a half-mile dash, between horses entered by F. Halstead, T. Jones, Wm. Rathburn and Carlson. It was won by Jones' horse, the time being 58½ seconds. Carlson's Kabuku Boy came in second; time, 58½ seconds. F. Halstead's horse was third. The purse for this race was \$400, or \$100 each entry.

Third race; half-mile dash. Hiel Kapu, J. R. Holt and T. Jones each entered a horse. Kapu's horse won this race, the time being 53½ seconds. Kahuku Boy was second; time, 54 seconds. Purse, \$150.

Fourth race; ¼-mile dash. This race was run by two horses belonging to Mr. Gay and Wm. Holt respectively. Gay's horse won in 27 seconds. The purse was \$30.

Fifth race was a mule-race. Mr. Warren, Alex. Dowsett and Kaia entered their mules; distance, ¼ mile; purse, \$25. Kaia's mule won.

Sixth race—¼ mile dash—was between two horses owned by Gay and Kaia. Gay's horse, it was claimed, fouled Kaia's, and Kiola (the rider of Kaia's horse) fell near the goal; the horse was not hurt, but the boy sustained some slight injuries. The race was declared off.

The last event was a 100 yards foot-race between Kaiwi, Kaliko, Chris. Holt and several others. Chris. Holt won the race.

After the races were concluded, Nahu invited many of those present to a birthday luan given at his house.

Died of Her Injuries.

The little five year old girl Ellen Boy, who was severely burnt at the fire near Kawaiahao church last Sunday evening died at the home of her parents on Monday afternoon. The little sufferer was taken to the hospital on Sunday night but was taken home again on Monday morning, as she was not expected to live. She died at 4 o'clock in the afternoon. Those who saw her injuries declared them to be terrible and her sufferings great. The funeral took place Tuesday afternoon.

The Cable to New Caledonia.

LONDON, June 16.—The French cable-laying steamer Francois Arago sails from Havre for New Caledonia on Saturday with 818 miles of cable for the line of cable to be laid between Noumea and Queensland. The work of laying the cable is to be completed within three months.

Dr. M. L. Miner, V.S., has accepted a position with the New England Live Stock Insurance Company, Boston, and will leave as soon as possible. Dr. Monsarrat will succeed him at the vaccine farm.
